ARMOUR SCORES 5 RUNS IN THIRD; DEFEAT DE KalB

Engineers Roll Up 6-4 Score in Season's Fourth Win

SIMPSON STADIUM ON MOUND

DeKalb, Ill., April 21—Armour's batters and pitchers brought to a fist for the second game in the season's two-game set with DeKalb. The score was 6-4 in favor of the Engineers.

The game was played before a large, enthusiastic crowd, with Armour's team prevailing over the Rocky Mounts.

Up to the first inning, the game was close, with both teams scoring four runs. However, Armour's team started to pull away in the third inning, scoring two runs and maintaining their lead for the rest of the game.

The victory put Armour in a strong position in the standings, with a 4-2 record in their season's first six games.

Presenting the Victors

8. W. Hindman Elected 29 Yearbook Editor

Stephan W. Hindman, '23, President-Editor of the 1929 Yearbook, has been unanimously elected by the present staff to be the Editor-in-chief of the 1929 Yearbook. The election took place Thursday night at 7:30 in the Ymca Beta Pi room.

The election was presided over by President Hindman, and the new editor, Mr. Paul Brown, was announced.

The other officers have been as yet unannounced, but will be announced in the near future.

Joint Meeting A.E.E.E. of Lewis and Armour

On Friday, May 4, the Armour branch of the American Institute of Electrical Engineers will be the recipient of the Lewis branch on an reciprocal trip of the latter institute. A joint meeting is scheduled for 11:30. The speaker will be Mr. W. C. Betts, Secretary of the Electrical Engineering Department of the University of Illinois.

The lecture will be on the subject of electricity and its applications.

Senators Grad Mark Will Work for G. E. Co.

Seven Armour men who graduate in June have been selected by Mr. R. B. Perdew, personnel manager of the General Electric Company, to go to the Schenectady plant of that firm. These Armour men are a portion of the 270 men selected from over 2400 college graduates throughout the country, who are privileged to pursue the twelfth eight-week course at Schenectady.

They are A. E. Hyland, J. E. Anderson, E. E. Guzman, R. E. Lat- ton, A. W. Inman, and M. E. Kopech, all of whom are electrical engineers.

A long journey of nearly 2000 miles will bring them to the General Electric plant, where they will have the opportunity to work on important projects.

Pledge Sing Fight Song

At Honor Day Dance

The annual University Promenade dance was given Friday night, April 22, in the Student Union of the University of Illinois. The dance was attended by students and faculty members from all over the country.

The theme of the evening was "The Great Gatsby," and the decorations were in keeping with the theme.

The dance was attended by the university's President and First Lady, and many prominent figures from the university and neighboring communities were present.

The music was provided by the university's own orchestra, and the dance was a great success.

Announcement of the final plans of the banquet and the inspection trips which all Juniors and Seniors are to attend tomorrow on or before the Illinois Public Utilities' Committee on Cooperation with Educational Institutions has been made by Prof. David F. Brown, Chairman of the Electrical Department, who is in charge of the arrangements.

The classes will divide into groups to make separate inspections, each class having chosen that department of one of the Public Utility companies or one related industry which promises to be of greatest interest to the students in that group.

The classes will be inspected at noon or 3:00 P.M., but there are no classes after 3:00 P.M., and the classes will meet at 7:20 Adams St., where they will stay until 10:00 P.M. The classes will meet at the conclusion of the classes.

The classes will follow on their inspections during the morning and afternoon.

JUNIOR E. V. C. Trips: To various University Basketball games.
