FINDING things out, aren't! I thought I'd examine the tobacco in a cigarette.

"Look here...this is Chesterfield tobacco. Notice it's lighter...you don't see any dark, heavy types, do you? I guess that's why Chesterfield is mild.

"And here's something else. Notice that these long, thin ones are all cut on the same stick. It stands to reason they're smoother and milder.

"I don't pretend to be an expert but it looks to me as if they make Chesterfields right.

"Here, right now. That's the best test after all. They Satisfy!"
