Babylon and On and on and on

After their 1982 LP, Sweets from a Stranger, Squeeze disbanded, and bandleaders Glenn Tilbrook and Chris Difford stuck off on their own. Their Squeeze-less album, Dilapidated, was single-mindedly devoted to the dance music style with which they had experimented on Sweets—and for such a talented songwriterly team, it was a labor of love, and left something to be desired. Squeeze was reunited in short order, and although the band’s membership had been altered, the music had been flattened by technically competent but soulless dance grooves. The album Cosi Fan Tutti Fruti was an improvement. Today Squeeze is back in fighting trim, and with Babylon and On, they know just what they want to say.

Squeeze’s triumphant return to form is evident right from the beginning, with the bawdy, Motown-esque saxophone that opens the first track, “Hourglass.” This song’s horn-embellished punch and rip-fire chorus are diverse, and although “In Today’s Room” even vaguely recalls thoroughly idiosyncratic songs like “Heaven” and “I Think I’m Go-Go” — this album is no exception. “Touch Love” is a gently lilting, accordion-based ditty. “The Waiting Game” is a melancholy piano-and-vocal ballad about the anxiety of waiting for a woman to come home. “My mood was fit for a bath/A drink couldn’t oil my expression.” Between this and “Temptation,” (remember that one?) is “Cigarette of a Single Man,” which finds a lovesick man turning to the comforts of tobacco and alcohol — a favorite Squeeze theme. More cigarettes, but a happier smoker, appears in “Striking Matches,” along with a country & western swing and Chris Difford’s hoarse, somewhat nasal lead vocals (Glenn Tilbrook sing along on the rear). The album’s only disappointment is “Some Americans.” Metaphorically, its pleasant but slight, and the lyrics are artlessly repetitive: “Some Americans (insert descriptive phrase),” over and over. The album’s failures have been well assimilated. Squeeze’s pop-rockers have more danceable rhythms than before, and conversely, the dance-rock band “Who Are You?” puts melody first. The already marvelous Squeeze has reached new heights, they deserve to have Babylon and On become the talk of the town. by Mark Pundurs.

Baseball

continued from page 8

Sophomore D.R. Komar threw a one hitter to beat Midland-Bellevue 5-1. He struck out 7 in 6 innings. The one run that he did give up was unearned.

Senior second baseman Chris Chiero drove in two runs and hit a hard liner Mike Howell could not get to to lead the balanced Hawk hitting.

The second game put the Hawks against Webster once again, this time losing 5-2. The Hawks were held to three hits and left 10 runners on base, twice leaving the bases loaded.

Sophomore Dave Wilkowsk took the loss, throwing four innings.

The next day the Hawk bats came alive, beating Southern Indiana 9-3. They pounded out 16 hits as everyone in the lineup collected a hit. Carpenelli led the attack with three runs and three hits. Howell drove in three with a triple and a home run.

Paul Nykaza was the second game of the trip, going the distance. This was his 11th consecutive complete game, covering two years. That time he was 8-3. In this game, all five runs were unearned as he allowed 6 hits and struck out 4, run, and Bram, Pastorik, Konecki, and scroothemase who are not mentioned in this game. The scoresheet shows each had two hits.

Senior Peter Zurek went the distance to get the win. He allowed only four hits in seven innings, and did not allow a hit until the fifth inning.

The last games played were impressive with two come from behind wins. The first was an 8-5 win over William Jewell from Missouri. The Hawks scored two in the sixth and two in the seventh to gain the victory. Paulsen led the hitting attack with two hits and two RBIs, and Chiero collected two RBIs.

Chicago State were rained out.

Varsity swim team places 14th in the nation

The varsity swimming team scored 71 points and retained its 14th place national ranking for the second year in a row. The meet was held at the Justus Aquatic Center in Orlando, Florida, and IIT scored 71 points, which is its highest total ever in national competition.

Senior Mike Messier became the first ever IIT swimmer to get All-American honors in 3 events. Mike was third in the 100 yard butterfly and 200 yard backstroke and fourth in the 100 yard backstroke event.

Freshman diver Kit Koenig got All-American honors in the 1 meter diving event with a 6th place finish. Also, he added 12th on the 3 meter board event. Coach Matuch stated that Mike Koenig keeps improving in his diving events as he did this year, he added "IIT needs 2 second national champion in one or both of the diving events."

Also getting All-American honors was the Hawks' 400 medley relay team of Messier, Junior Matt Fernandez, Sophomore Troy Leaf, and Freshman Kenneth Zuber. The team got 14th place, but due to the last times of the first 16 teams, they were voted All-American honors.

Junior Dave Hathway missed 16th place with a 17th place finish in the 1850 freestyle by 5 seconds with his best time of the season, as did freshman Ken Zuber in the 200 yard butterfly who got 23rd in this event and first time ever in the nationals. Coach Matuch stated that the only question is an answer to question that Zuber could be the toughest flyer-M in swimming ever here at IIT. He's got everything going for him, and he seems to enjoy the harder races. The only other individual event competitor was Junior Matt Fernandez who got 30th in the 100 yard breaststroke and who just recently broke the oldest varsity record, the 100 yard breaststroke.

IIT's 400 free relay of Leaf, Messier, Fernandez and Freshman Jim Finn got 18th place, and the 800 free relay of Leaf, Hathway, Messier, and Finn also finished 18th with their best time of the season.

Along with the swimming honors went two academic awards, both Matt Fernandez and Dave Hathway were awarded academic All-American honors for their grade-point averages and their swimming accomplishments.

For the fourth year in a row the varsity swimming team has made the top 20 in the National Championships, and with 6 of the boys returning to next year's squad, we could do it again, but all six will have to surpass this year's standards. With the graduation of Mike Messier, we lose a top point-getter who will be sorely missed. Quoted Coach Matuch, "Mike has to be by far the best swimmer to ever come to IIT. 158 points in National Championships says it all."

Baseball team returns from Fla.

The 1988 Scarlet Hawk baseball team returned from Jacksonville, Florida with one of their most successful spring trips going 5-2. The team balanced a powerful hitting attack with crafty pitching to beat some of the best competition that they will face all year.

In the opening game, the Hawks lost a tough decision to Heidelberg of Ohio 6-5. The offense led a strong comeback, scoring in the last inning, but fell short leaving two runners on base. Senior catcher Chris Konecki led the offense with 3 hits and 2 RBIs, senior center fielder Jack Caccioppolo collected 2 hits and drove in 2 runs, and senior Dave Ricciard collected 2 hits for the Hawks. Unfortunately, after the 5-2 win, the Hawks found themselves the only three hits of the rest of the game, but fell short and took the loss. He struck out 7 batters in the 6 innings.

In the second game the Hawks took an early 6-5 lead and never looked back, beating Wooster of Ohio 7-5. Right fielder Ken Bram, a transfer from the college of DuPage, led the hitting attack with 2 hits and 2 RBIs, and senior first baseman Chris Malczewski collected 2 of the Hawks' 10 hits. In the game, freshman shortstop Steve Carpinelli hit a monstrous home run, his first collegiate hit.

Lefty senior Paul Nykaza, last year's MVP, went the distance to record the win. He struck out 5 in the 7 innings that he pitched.

The next day saw the Hawks playing the same teams.
