A.S.M.E. Votes for Smoker This Friday

Some new shot by the Arkansan senior served to spread the noise a bit, after last year's stellar Friday. This week also included the semi-final of the University's Quidditch tournament. The game was held on the athletic field, and was won in overtime by the visiting team. The score was 0-0, and the game was declared a tie.
Know Your Team! Here Are the Men

Do you know your basketball team? If not, here's a chance to learn about the players, their skills, and their history. The team is 35 miles to the northeast of Libertyville, in the great hamlet now known as Kenilworth. It is known by many as the team that plays the game of basketball. The team has a long and illustrious history, and its players are known for their skills and dedication.

Before entering Kenilworth, Harry starred in the sports arena at the local high school. As a member of the famous E. S. E. Class of 1935, he was a star player and a leader in his class. He is six feet eight and 475 pounds, and his skills are enough to make him a four-out-sizes man—a prelude.

Coach Warner, "Pop" to all his players, is the man who has guided the team for the past four years. Once an always a coach, he is a man who never loses his enthusiasm. His team is disciplined and well-trained, and he is known for his ability to run a tight ship.

The team's biggest victory was against the school, which they defeated by a score of 12-0. Pop has always had a special affinity for this school, and he has always been able to inspire his players to perform their best.

The team's success is due in large part to the leadership of Coach Warner. His patience and passion for the game have helped his team achieve great success.

Number 3, who has been away for a month, returned this week and is ready to contribute to the team's success.

The team is looking forward to the upcoming season and is confident that they will continue to succeed.

A.T.A.A.—

(Continued from page 1)

The A.T.A.A. recently completed a necessary task that was left unattended for many years. The task was to establish a new organization that would serve the needs of all basketball players in the area.

The organization was formed with the aim of improving basketball standards and promoting the sport at all levels. The A.T.A.A. has now established a registry of all basketball players in the area, and this registry is available to anyone who wishes to join.

JUNIOR SCHIMMERS WIN TOUCHBACK TOURNAMENT, 6-0

In a tightly contested overtime game, the junior Schimmers finally rallied to hand the Touchback凭借着 defended scoring their first touchdown, and eventually scored a second, to win the game 6-0. The final score, 8-0, was not surprising, as the Touchbacks had struggled throughout the season. The Schimmers, however, managed to keep their composure and ultimately emerged victorious. The win capped off a successful season for the Schimmers, who had faced several challenges throughout the year.

The proof of the cigarette is in the smoking... and it always will be

Smokers—both men and women—want a cigarette to be mild—yet not flat or insipid. At the same time they want a cigarette that gives them taste—taste they can enjoy.

Chesterfields are outstanding for mildness—outstanding for better taste. You can find that out by smoking Chesterfield.

Chesterfields are what they say they are.
