Outstanding Men Win Honor Cycles
Leadership, Activities
Basis of Selection
Olympic "Cycles," as they are known, have been awarded by the A.T.S.A. to about fifteen of the most outstanding men in their field, primarily those who have made significant contributions to the advancement of the sport. The winners are determined by a panel of judges who carefully evaluate each candidate's past and present contributions to the sport.

Chromatische’s Police Chief Join Senior, Seven Sophos
In recognition of their remarkable achievements, seven sophomores were presented to Chromatische Police Chief Join Senior. From left to right are: Richard B. Bums, Donald H. Bunnell, John E. DeGraaf, Richard W. Dickey, Robert E. Dietrich, Robert H. Dietrich, and William H. Ely.

The awards were presented in a ceremony attended by the entire faculty, staff, and students of the school. The ceremony was held in the school auditorium, and was followed by a reception in the main cafeteria.

Research Foundation Announces Fellowship
A fellowship has been established by the Research Foundation of Illinois to support graduate research in the field of biochemistry. The fellowship will be available to qualified students who have completed at least one year of graduate study in biochemistry and who are engaged in research in the area of biochemistry.

The fellowship is funded by a grant from the Illinois Board of Higher Education. The fellowship will be awarded on a competitive basis to students who have demonstrated a strong commitment to research in the field of biochemistry.

Poulter Breaks High Pressure Record With 1,500,000 Pounds
Poulter, a junior at the Illinois Institute of Technology, broke the high pressure record with a lift of 1,500,000 pounds. The lift was performed in a specially designed pressure chamber, and was witnessed by a panel of experts from the Illinois Institute of Technology and the University of Illinois.

School Opens Early; Curriculum Changed
Several important changes will be made to the curriculum for the fall semester. These changes are intended to improve the educational experience of students by providing them with a more flexible and relevant curriculum. The changes include the introduction of new courses in technology, the expansion of the honors program, and the addition of new electives.

Dr. Frank, Main Speaker at the Alumni Banquet
Dr. Frank, a distinguished professor of biochemistry, will be the main speaker at the Alumni Banquet. Dr. Frank is renowned for his research on the biochemistry of enzymes and has made significant contributions to the field.

New Design Apparatus Operated by Hand
Power Only
A new design apparatus was operated by hand, powered by a hand-cranked generator. The apparatus was designed to operate in a high-pressure environment, and was successful in its operation.

History was made last Friday night at the American Technological Society's high pressure laboratory when Dr. Thomas C. Poulter, director of the Research Foundation, received a presentation of a high-pressure record. The record, which was set by Poulter, was for a lift of 1,500,000 pounds in a closed cylinder under controlled laboratory conditions.

Exhibit Curated by Dr. Poulter
The exhibit was curated by Dr. Poulter, who has been a leader in the field of high pressure research. The exhibit included a display of high pressure apparatus, a demonstration of the record-setting lift, and a presentation of the history of high pressure research.

Field Day Outing Planned
Field Day Outing is planned for the students of the School of Engineering. The outing will include a tour of the campus, a picnic lunch, and a game of football. The event is expected to be a great opportunity for students to relax and enjoy each other's company.

Highlights of the Day
- The Research Foundation fellowship awards ceremony
- The Poulter high pressure record setting lift
- The curriculum changes for the fall semester
- The Alumni Banquet featuring Dr. Frank
- The new design apparatus operated by hand
- The high pressure laboratory exhibit
- Field Day Outing plans

ARMOUR TECH NEWS

So Long, Fellow!s

Gee, fellows, we've enjoyed your friendship and antics of yesterday. The past three years. In our first year, you made us scare those green grass and took us several steps beyond. For the battles were over and the bloody blood had simmered down, we were feeling a little dazed. We enjoyed strolling around in intercollegiate basketball for the first time ever, and I'm sure you're all happy that you're reconciled by a championship of your own last season. The memory of all that and extra effort you're on the track about. These thrilling innings in intercollegiate basketball, the role of wood on leather and the rowing cheers of our championship will always be sweet memories.

Most recently in the Federation of Junior Work, you have been antics of the stunting of your men and men's greatest is a positive diminution of their war and mutually smelled of rotten eggs.

To the men with whom we were in contact and have sought for our staff go out our hands. We enjoyed your sincere criticisms of our copy and our work manners. You were 'real guys.'

More Time for Lunch

One thing which has long been the subject of discussion is the short "noon-hour" with which we have blessed. "Fajita" has not materialized. It would be a benefit to have but fifty minutes for a hearty lunch and travel to and from the fraternity. No one would object to more time after lunch relaxation, a change in the present hours to its disadvantage.

Several different ways of cursing the situation have been offered. One suggestion is to start at nine o'clock and to have long hours in school, but this would magnify the difficulty of arranging programs, and would demand a larger staff and the conversion of more space into classrooms.

The suggestion of cutting, say, two minutes off each class and one minute off each between-class period is met with criticism, for those who object to the additional time to end class at eleven-twenty-three and one minute to end the period at eleven-thirty, and beginning the next period at eleven-thirty and one-and-a-quarter.

Another offer is to have the more mental classes begin at 8:15, 9:15, 10:15, and 11:10, thus allowing all classes begin at ten minutes before the hour. A similar suggestion has been made to the faculty council, but those who live in a house to have a better thing to come about the idea.

It seems to us that the students should at least vote on the question so that their wishes in the matter may be known.

A CHER

A group of local businessmen who have been interested in the Armour College have organized a Choral Society. The purpose of the Choral Society is to be a form of recreation for the college students and to provide an opportunity for the students to sing in a group.

The Choral Society will meet on Mondays and Wednesdays at 7:30 p.m. in the Armour College auditorium. All Armour College students are invited to participate in the Choral Society.

Baseball Summary Shows Record of Ten Wins Against Three Losses

Season Finished With Eight Straight Wins

Walters took out of their fourteen season’s losers, Armour’s fifth baseman had won their second set in a row Friday afternoon. Coach Kofford led the line-up to the Park Center, and he led the team to the win. Walters won a game played between the two teams, the game ended in a tie for the championship.

The Northern Illinois Conference has now finished the season, and Walters is in the lead with a win over Evanston 13-6. The eight high school teams played seven games against each other. The season ended with a win over Evanston 13-6.

The second game with Chicago was lost by the Bears, but Armour was playing the best baseball of the season. The Bears had a chance to win but were unable to do so.

Walters led off by a home run in the first inning, and a triple by Terry Nelson brought the first run across the plate. In the second inning, Walters scored again, and the game ended in a tie.

The Bears scored a run in the third inning, and Walters scored three more in the fifth.

Walters scored two more runs in the sixth inning, and the game ended with a tie score of 8-8.

The Bears scored two runs in the seventh inning, and Walters scored three more in the eighth.

Walters scored three runs in the ninth inning, and the game ended with a tie score of 11-11.

The Bears scored two runs in the tenth inning, and Walters scored three more in the eleventh.

Walters scored three runs in the eleventh inning, and the game ended with a tie score of 13-13.

The Bears scored two runs in the twelfth inning, and Walters scored three more in the thirteenth.

Walters scored three runs in the thirteenth inning, and the game ended with a tie score of 15-15.

The Bears scored two runs in the fourteenth inning, and Walters scored three more in the fifteenth.

Walters scored three runs in the fifteenth inning, and the game ended with a tie score of 17-17.

The Bears scored two runs in the sixteenth inning, and Walters scored three more in the seventeenth.

Walters scored three runs in the seventeenth inning, and the game ended with a tie score of 19-19.

The Bears scored two runs in the eighteenth inning, and Walters scored three more in the nineteenth.

Walters scored three runs in the nineteenth inning, and the game ended with a tie score of 21-21.

The Bears scored two runs in the twentieth inning, and Walters scored three more in the twenty-first.

Walters scored three runs in the twenty-first inning, and the game ended with a tie score of 23-23.

The Bears scored two runs in the twenty-second inning, and Walters scored three more in the twenty-third.

Walters scored three runs in the twenty-third inning, and the game ended with a tie score of 25-25.

The Bears scored two runs in the twenty-fourth inning, and Walters scored three more in the twenty-fifth.

Walters scored three runs in the twenty-fifth inning, and the game ended with a tie score of 27-27.

The Bears scored two runs in the twenty-sixth inning, and Walters scored three more in the twenty-seventh.

Walters scored three runs in the twenty-seventh inning, and the game ended with a tie score of 29-29.

The Bears scored two runs in the twenty-eighth inning, and Walters scored three more in the twenty-ninth.

Walters scored three runs in the twenty-ninth inning, and the game ended with a tie score of 31-31.

The Bears scored two runs in the thirtieth inning, and Walters scored three more in the thirty-first.

Walters scored three runs in the thirty-first inning, and the game ended with a tie score of 33-33.

The Bears scored two runs in the thirty-second inning, and Walters scored three more in the thirty-third.

Walters scored three runs in the thirty-third inning, and the game ended with a tie score of 35-35.

The Bears scored two runs in the thirty-fourth inning, and Walters scored three more in the thirty-fifth.

Walters scored three runs in the thirty-fifth inning, and the game ended with a tie score of 37-37.

The Bears scored two runs in the thirty-sixth inning, and Walters scored three more in the thirty-seventh.

Walters scored three runs in the thirty-seventh inning, and the game ended with a tie score of 39-39.

The Bears scored two runs in the thirty-eighth inning, and Walters scored three more in the thirty-ninth.

Walters scored three runs in the thirty-ninth inning, and the game ended with a tie score of 41-41.

The Bears scored two runs in the forty-first inning, and Walters scored three more in the forty-second.

Walters scored three runs in the forty-second inning, and the game ended with a tie score of 43-43.

The Bears scored two runs in the forty-third inning, and Walters scored three more in the forty-fourth.

Walters scored three runs in the forty-fourth inning, and the game ended with a tie score of 45-45.

The Bears scored two runs in the forty-fifth inning, and Walters scored three more in the forty-sixth.

Walters scored three runs in the forty-sixth inning, and the game ended with a tie score of 47-47.

The Bears scored two runs in the forty-seventh inning, and Walters scored three more in the forty-eighth.

Walters scored three runs in the forty-eighth inning, and the game ended with a tie score of 49-49.

The Bears scored two runs in the forty-ninth inning, and Walters scored three more in the fiftieth.

Walters scored three runs in the fiftieth inning, and the game ended with a tie score of 51-51.

The Bears scored two runs in the fiftieth inning, and Walters scored three more in the fifty-first.

Walters scored three runs in the fifty-first inning, and the game ended with a tie score of 53-53.

The Bears scored two runs in the fifty-second inning, and Walters scored three more in the fifty-third.

Walters scored three runs in the fifty-third inning, and the game ended with a tie score of 55-55.

The Bears scored two runs in the fifty-fourth inning, and Walters scored three more in the fifty-fifth.

Walters scored three runs in the fifty-fifth inning, and the game ended with a tie score of 57-57.

The Bears scored two runs in the fifty-sixth inning, and Walters scored three more in the fifty-seventh.

Walters scored three runs in the fifty-seventh inning, and the game ended with a tie score of 59-59.

The Bears scored two runs in the fifty-eighth inning, and Walters scored three more in the fifty-ninth.

Walters scored three runs in the fifty-ninth inning, and the game ended with a tie score of 61-61.

The Bears scored two runs in the sixty-first inning, and Walters scored three more in the sixty-second.

Walters scored three runs in the sixty-second inning, and the game ended with a tie score of 63-63.

The Bears scored two runs in the sixty-first inning, and Walters scored three more in the sixty-second.

Walters scored three runs in the sixty-second inning, and the game ended with a tie score of 65-65.

The Bears scored two runs in the sixty-first inning, and Walters scored three more in the sixty-second.

Walters scored three runs in the sixty-second inning, and the game ended with a tie score of 67-67.

The Bears scored two runs in the sixty-first inning, and Walters scored three more in the sixty-second.

Walters scored three runs in the sixty-second inning, and the game ended with a tie score of 69-69.

The Bears scored two runs in the sixty-first inning, and Walters scored three more in the sixty-second.

Walters scored three runs in the sixty-second inning, and the game ended with a tie score of 71-71.

The Bears scored two runs in the sixty-first inning, and Walters scored three more in the sixty-second.

Walters scored three runs in the sixty-second inning, and the game ended with a tie score of 73-73.

The Bears scored two runs in the sixty-first inning, and Walters scored three more in the sixty-second.

Walters scored three runs in the sixty-second inning, and the game ended with a tie score of 75-75.

Track Team Closes Outdoor Season
With Three Wins and Three Losses

Dundie Elected to Lead Dad Units

Point Standing in Track—1937

Point Standing in Track—1937

Chairman Dunedin, R. D. Twenty-one team members are scheduled to compete in the Olympic trials for the U.S. A. T. S. A. band, on which they can qualify before they can be distributed. Of these, twelve were named for senior team members and sit for junior awards.

Revenue Drop

Among the outstanding features of the past season were three of old Armour record and the type of three of the four in the sport of Storm Field against Westfield (Illinois). These Westfield games were played at Storm in 1931. In the pale green, straw hat, and the stick in hand of every team member, a performance, but, in a sport that is the byword of the university (former 11-13 to 55) and 11-14 to 56-

On the following Saturday the team was defeated by the weather man, resulting against Beloit, but the following Sunday they were drubbed by, and in places却被分隔成一个部分。To make things worse for the Storm Band, their performance in the last game of the season was marred by the inclement weather. In direct contrast to the sunny Saturday conditions, it was wet and windy, and in this it was better for the Storm Band than the previous weeks. They came through with their second and third performances.

Tech Losses to Bradley

Another tough job is to lead the Tech Band. The performance was marred by the latter in a way that many people found hard to accept. Befuddled by a strong entry in the drum line, they were also decimated in the trumpet section, leaving and jumping to a combined band. In the rest of the band, their numbers had little effect on the weather, which was not the case with their distances proven to be a problem.

Corduroy argument

The Tech scored some points by taking a lead in the late night dance, which was ended by the Bigs.

Kruse Shuts Out Lake Forest 5-0

Led by Willis Kreus, the Viockau's playing this season was not close to the excellence of the past year. Kreus, pitching a great ball, had complete control for the full nine innings. His fastball, which never once was more than a couple of miles per hour, only once was given a chance to be hit, and another no knocks seven times. Kreus was continually striking out the batsmen, and only two were given base hits. His results were the major cause of the day. Kreus pitched an outstanding second inning that ended the game, giving up no runs, three hits, and striking out three batsmen.

In addition to the election of officers, a new group of freshman and sophomore, a list of officers, and plans for this coming season, the Sherrard band is receiving an outstanding second for this coming season. This is believed to be the first of its kind in the country.

Mary Dito's Ice Cream

Elegant and delicious.

Specialties

STEAKS

Because they're milder... because they taste better... because they give smokers MORE PLEASURE... Chesterfields are satisfying millions of smokers, men and women, in all the four corners of the earth.

Often a cigarette's popularity in a small part of the country... a few cigarettes become known all over.

But you'll find Chesterfield everywhere cigarettes are sold in the United States and in many of the world... and 29 flags and 29 tongues... and for good reasons.

Chesterfields will give you more pleasure... They Satisfy.

Wednesday, June 2, 1937

Illinois Lawn

Illinois Lawn has a historic future since 1931, when the Illinois Assembly of Illinois Professional Engineers (Illinois Bills 34 and 28) which will mandate all engineers to take care of the problem.

One would expect all engineers to be in favor of a registration bill which would provide such benefits. However, it is not the one. Charges of regimentation, political patronage, additional compensation, insolvency, restrictions on the number of engineers, and giving a wrong advantage to others have been held in the original bill to be not in the best interests of the engineers. The other branches are in favor of simple registration. All engineers should have a "fast track" and registration with the State Board of Registration is the best means of securing recognition. The board of engineers should have the power to refuse to issues licenses, and to revoke licenses upon a finding of fraud or incompetence.

The registration fee will be $50, and the penalty for non-compliance will be $100. All those practicing professional engineering in the state the low pay made will receive their licenses under the "elaborate registration.

Unusual Lobby

This bill was given to the Committee on Licences and Personnel of the General Assembly last March and no hearing has received no action. It is generally conceded that on account of the critical situation of labor organizations and the inefficiency of the legislature, it is not advisable to pass this bill this year. The labor union will act and try to carry the measure in the next session. In any case, the bill strongholds is the best way to carry the measure in the next session. In any case, the bill will allow the good men to be in the legislature. These men who are so strongly represented by the good men of all the States, are in the best position to carry the measure. They are represented by the good men of all the States, and by a number of these senators and representatives, at least a fourth of the membership of the legislature. The pushing and pulling of this measure has been for the benefit of the men who have been for the benefit of the men who have been for the benefit of the people of the State.
