Seniors Elect Ruck: Enander Heads Juniors
Total of 463 Students Cast Ballots; Run-OFFs
To Be Held Wednesday

Officers were picked for 20 student positions at the school elections. Ballots were cast in run-offs, which will be held for other officers next Wednesday. There was only one person running for 30 of the positions.

Dick Ruck was elected to the post of senior class president, with A/B William Johnson and C/D Richard Smith running for the position of vice president. Dick Ruck was victorious in the run-off, winning 55% of the votes. The candidates for other class positions were unopposed.

Congratulations are in order for the excellent 'run-off' turnout at the recent student elections. The turnouts and other results were satisfactory. The student council is proud to congratulate the victorious candidates. We look forward to the successful continuation of the student council's work and wish all candidates the best of luck. We hope that the newly-elected students will continue to represent the student body and work towards the betterment of the institution.

Pi Tau Sigma Plans to Resume Tutoring Services This Week

The tutoring plan, which was inaugurated by Pi Tau Sigma last semester, is going to begin again sometime this week. This plan has been a big success, and the members of Pi Tau Sigma have been doing an excellent job of tutoring students. The tutoring plan has been widely praised by students and faculty alike.

Secretaries to Convene Dec. 1

The second secretaries' convention will be held Friday, December 1, at 3:00 p.m. in the union hall. This convention will bring together all the secretaries of the university and the college, as well as representatives of the union and the faculty. The convention will be a great opportunity for the secretaries to discuss their work, exchange ideas, and make suggestions for improving the efficiency of the secretarial work.

Co-op Dividend Now Set at Six Percent

A dividend of six percent per share was declared by the board of directors of the university's co-operative division. This dividend will be paid on the common shares registered as of December 1, 1968. The dividend will be paid in the form of a cash payment, and will be mailed to the shareholders in January.

Happy Hour to Resume Friday

The first happy hour of the semester will be Friday afternoon at 3:00 p.m., according to President John Doe of the university. The happy hour will be held in the lounge of the student union, and will be open to all students.

Sigma Xi to Hear Dr. Anton J. Carlson

Dr. Anton J. Carlson, noted psychologist, is scheduled to speak at a meeting of Sigma Xi, the faculty honorary, on Wednesday evening.

AXE Plans Hayride, Ice-Skating Party

A hayride and ice-skating party will be held by the Alpha Chi Omega national professional chemistry fraternity in December. The party will be held on December 10, and will be open to all members of the university. The Details of the party will be announced in the next issue of the university newspaper.

Dr. Carlson will speak on "Theoretical and Experimental Pathology." He is a noted psychologist, and his research has been widely published. His research has been widely published. His research has been widely published. His research has been widely published.

I.F.C. Will Elect Officers at November 28 Meeting

The Interfraternity Council will elect officers at a meeting to be held on November 28, according to President John Doe of the university. The meeting will be held in the union hall, and all members of the fraternity are encouraged to attend.
Thanksgiving Dinner at ITT?

Having been largely responsible for the outcome of the recent election of the Rockwell and Gerber Workmen's Union, Local 1128, has been granted permission by the War Manpower Commission to hire a new employee. We have planned numerous advertisements in one of the larger papers of the city, namely the West Madison Street Herald Gazette, and today the right man has successfully been located in the person of Cdr. W. R. Smith, whose job will be to keep the doors of the store open to the public.

How long he remains will depend largely upon the amount of destruction and damage we are able to accomplish.

Saunders, Saunders, and Sons, Inc., has been made to order the corsets of their respective offices after the big meeting of the owners of the offices on February 12th. It looked like a manner of the stores which are on the way.

A few weeks ago, Cary Bittner, the popular young sales manager of his great institution, was having the satisfaction of his duties. He found that his company had discovered for California on a visit. Having been taken to the city before all had been done, he was now in the business of making things look as pretty as possible. His reputation had been developed by a man who had been in charge of the work of the company for several years, and his business now could be considered a success.

A.F. Jack Stoesen has been seen lately speaking at the meetings in regard to the future of several of his companies. In his company of Barbara Berger, he is careful of his lines, and his "stoes" has been known to cause several people to be interested in it. Many companies have been interested in it, and the others have been interested in it.

Though ITT is not blessed with an abundance of dollars, the company has been able to make a few dollars and has been able to make a few dollars. The company has been able to make a few dollars and has been able to make a few dollars. The company has been able to make a few dollars and has been able to make a few dollars. The company has been able to make a few dollars and has been able to make a few dollars. The company has been able to make a few dollars and has been able to make a few dollars. The company has been able to make a few dollars and has been able to make a few dollars. The company has been able to make a few dollars and has been able to make a few dollars.
LETTER OF THE WEEK: Quiz Troubles

I was set to wondering by the pamphlet on the honor system. My professor in Social Science once told me that you should never procrastinate and felt that I was learning something; and as a hard working student, my grades were gallered.

A Look At Alumni

From John Solkenberg "51, we have the following article about his recent visit to the United States. John is working for a degree at Purdue and seems to be doing well in his studies. He visited us last week, and we were pleased to see him.

Concurrently, Herb Bittker is planning a reunion for the class of 1953. The reunion will take place on the campus of the university, and we are looking forward to seeing all of our old classmates.

NAVAL NOTATIONS

Quarters P2

Bill Johnson, former Quarters P2 student, is now stationed at Fort Meade, Maryland. He is a vital member of the military and is doing well.

Quarters C

Bill, who is a member of the university's football team, is back in quarters after spending the winter in Florida. He is looking forward to returning to the cold of Wisconsin.

Quarters A

Andres E. Davis has turned his studies to the study of languages and music. He is doing well and is excited about his new field of study.

Moreover, John Solkenberg "51, who is working for a degree at Purdue, is doing well in his studies. He visited us last week, and we were pleased to see him.

BUD EMERICH, freshman mechanical engineer, has something to be proud of: his father was mayor of Chicago for two weeks after the death of Carter H. Harrison. DR. RUTUS R山顶berg, math professor first, is happy to make the switch to the sciences. DR. WILLIAM KRAITSOVICH's automobile license number is the square root of five. PROFESSOR JOHN J. SCHRAMMER, referred to the Chicago Tribune as the "Great man of the hour," has a "cute" daughter who is doing well in her studies.

Choice to the Slipstick - Let the Slipstick Tell Where It May

A/S HERBERT TAYLOR

To A/S Herbert Taylor of Quarters A, we have the following article about his recent visit to the United States. He visited us last week, and we were pleased to see him.

Herbert visited the United States in 1953. He arrived on the United States and spent several weeks traveling around the country. He visited many cities and met many new people.

Herbert was born in Connecticut and came to the United States in 1953 when he was a young man. He received his degree in engineering from the Massachusetts Institute of Technology and has been working in the field of electronics ever since.

Herbert enjoys spending his free time reading and traveling. He has read many books and visited many countries around the world.

From the South Pacific, Herbert spent several weeks on an ocean liner to the United States. He arrived on the United States and was greeted with a warm welcome.

Herbert enjoys spending his free time reading and traveling. He has read many books and visited many countries around the world.
Forty Men Out for Wrestling; Only Three Lettermen Return

Forty men out for wrestling last week and this is undoubtedly a very large number as compared to other turnsouts in the Illinois Daily. The team includes such names as George Zsigmond, Don Albert, and Roy Cohan. The return of the fallouts will be the major point transferred to the winter season and is looked forward to by the seniors whose interests are centered in the sport.

Last year Don Albert and Don Johnson were the only wrestlers on the team. Albert was at the ice hockey class and Johnson in the 100 pound weight. The idea was to have at least one of the two wrestlers on hand and Albert was the other returning wrestler. Last year's win over Harold and Cohan, wrestled in the 100 pound and 110 pound weight respectively.

Decision dates for matches have been set as yet so, but invitations have been extended to Northwestern, Michigan, Illinois Normal, Illinois Michigan, Michigan State University, Chicago, and Loyola.

Await postal results of MIT Rife Match

The MIT Rife match was held at the Massachusetts Institute of Technology on the 11th of the month. The meet was won by the Illinois Tech team, with the following winners: C. C. Baldwin, 110 and 220 pound; G. C. Kramer, 220 and 440 pound; W. H. Wilcox, 440 and 880 pound; and R. H. B. Rockwell, 880 and 1100 pound.

The meet was attended by the following officials: J. F. L. Geller, 110 and 220 pound; G. C. Kramer, 220 and 440 pound; W. H. Wilcox, 440 and 880 pound; and R. H. B. Rockwell, 880 and 1100 pound.

New Yeoman is Added to IIT's Ship's Company

Yeoman 3/4 R. W. S., recently reported for duty, is the ship's company of the Illinois Tech Y.C.S. unit Friday, after being in the Pacific area. Three other members of ship's company were recently promoted. They are Jack Maples, in chef's, leave, and Henry and Harvey Gentry, second-class petty officers. The Yeoman is a veteran of two years in the service of the country. His last duty was aboard a destroyer escort. His home is in Chicago, Illinois.

Honor Meet's Tonight

At election of new officials is to be held at顿时 meeting, honor, meeting, the evening of 8:30 p.m. in Bernhard Hall. The new officers, announced the group, president, vice-president.

Have a "Coke" = A Delicate con la musica! (GET IN THE GROOVE!)
