REVIEW

ROMANTIC RASCALS

Charles F. Forster

Robert H. Bierlich & Co.

Anonale of beans men are not usually planning to the average

Roman college. A rainbow of colors, pink, purple, and green,
dominate the scene. These are the colors of Halloween, a festiva-

ler day in the history of humanity. The colors are associated with

the supernatural and the macabre, and are often worn by people
as a way to express their love for the spooky and the unusual.

FRATERNITY NOTES

Kappa Delta Tau

The Kappa Delta Tau fraternity is pleased to announce the

inauguration of their Founders Day on November 1st.

THETA XI

The annual Halloween dance was held last Saturday night at the chapter house. An unusual number of students attended the dance, and it was a great success.

RHO DELTA PHI

The Rho Delta Phi fraternity will hold a Founders Day Dance on Saturday, November 2nd. It will be held at the chapter house, and it promises to be a memorable event.

Doctor Bodenstein

Addressed Chemists

Last Friday evening, Oct. 30th, Dr. Max Bodenstein lectured at the monthly meeting of the American Chemical Society. Professor Bodenstein, of the University of Berlin, is one of the foremost chemists of the world. He is responsible for the popular theory of chain reactions, and is a noted authority in the subject of adiabatic processes. Doctor Bodenstein is also editor of the well-known journal, "Physical Chemistry."

PHI KAPPA SIGMA

Alpha Chapter of Phi Kappa Sigma is now forming for the annual Founders Day which is to be held in the near future.

Three women students will be

invited to the school of Engineering at Washington State University.

The Department of Foreign Lan-

guage at Arcata Institute is being discontinued with this year's cur-

riculum, the reason being that the demand for instruction in this

branch of learning has steadily di-

minished since the war. Consequently, the "elimination" at Arcata will

be limited strictly to English.

Turnout Large for Boxing Squad

Twenty-five enthusiastic signers turned up Monday night for the 1924-25 boxing team to elicit the support of their classmates. Interest in boxing this year has been rekindled by the recent championship success of the Chi Omega Warrriors in the Panhellenic competition. The close finish of the match was the deciding factor in the calling for the Chi Omega boxing team.

Gridiron Querries

By Professor J. H. Schummer

The season is upon us and the excitement is building up again. The football teams are preparing for the big game and the fans are getting ready to cheer them on. The game is set for Saturday at 3:00 PM and tickets are available at the box office.

Sophia Best Bet for Cage Title

Sophia has been chosen as the best bet for the Cage Title this year. Her track record is excellent and she has won several major events already this season.

Arms for Women

The focus this year is on providing arms for women. The demand for arms has increased due to the growing number of women athletes. The women's boxing team is set to compete in the upcoming tournament, and the arms will be a crucial component of their success.

Tech Shorts

The Tech football team is off to a strong start this season. They have won their first two games and are looking good for a strong conference record. The upcoming game against the University of Illinois is expected to be a tough one, but the Tech team is ready to challenge.
