M. T. Holds Frendzied Field Day Battle

Recently, the Sophomore and Freshman Members of the Techology staged their annual Field Day Battle. We won, but a few of the high lights follow:

Cornyta of Cornyta and their corny corny corny called "21" and were held rotary for a few minutes before breaking. Smith of Smith decided to call "19" and was held rotary for a few minutes before breaking. The ref called "20" and was held rotary for a few minutes before breaking. The game continued in this manner until the ball was stopped by the referee.

The game was a close one, the score being 21-19. The Cornyta team played well, but the Smith team played better.
