Students Given Scholarships
Three Men Presented Awards at Program

Three Illinois Tech students were honored for the 1966-67 academic year by the Illinois Tech Memorial Foundation in a program held Thursday. They are Gary J. Scharf, Joseph A. Stahler, and Leonard J. Grotke.

Three awards were made available to engineering students at the event by Dr. Richard B. Ramsey, president of the Illinois Tech Memorial Foundation.

Gary J. Scharf, a junior in electrical engineering, is the recipient of the $1000 award for the best student in the electrical engineering program. He is the first male to receive this award since the program began.

Joseph A. Stahler, a senior in mechanical engineering, is the recipient of the $1000 award for the best student in the mechanical engineering program. He is the second male to receive this award since the program began.

Leonard J. Grotke, a senior in chemical engineering, is the recipient of the $1000 award for the best student in the chemical engineering program. He is the first male to receive this award since the program began.

Junior Dance Looming Near

Dance 500 Kids have been invited to the Junior Dance, which will be held in the Memorial Foundation Building.

The dance is open to all Tech students and will be held on Friday, October 13, from 8:00 p.m. to 12:00 a.m.

To encourage original work in research and development, the Illinois Tech Memorial Foundation has established the Phil Lambda Upsilon (PLU) Research Grant. The grant is intended to promote research by full-time graduate students and is open to students in all fields of engineering.

The grant will be awarded annually to one or more students who submit a proposal that demonstrates the potential for significant and original research in engineering. The grant will provide up to $5,000 for each recipient.

Man Of The Week

Knepper Climaxes Journalism Career as Editor-in-Chief

In July of 1948 Man of the Week, C. Knepper came to Illinois as a postgraduate student at the University of Connecticut, where he took courses in journalism and public relations. He later went on to work at the Daily Illini, and in 1954 he became editor of the Daily Illini. Before coming to GW, Knepper, who lives in Alexandria, Va., was on the faculty of the University of Illinois in Springfield. He was also the managing editor of the Illinois Daily Argus, the student newspaper, and was the editorial director of the Daily Illini.

Knepper's work at the Daily Illini was recognized by the Student Press Association, which awarded him the McGraw-Hill Award for outstanding performance in newspaper journalism.

dedicate this column to my wife, William, who is always there for me. When I'm stressed, she helps me relax. I don't know how I would survive without her. This column is dedicated to her. Thanks for understanding and supporting me.

She laughs: “I’m happy to be here. I have no other plans.”

She works: “It’s been a long day, but I’m glad to be here. The weather is good, and there’s a lot to see.”

She talks: “We like to travel and see new places. We’ve been to Europe and Asia, and we’re always looking for new adventures.”

She smiles: “It’s great to see everyone again. We’ve missed you all.”

She shares: “We’re planning a trip to the West Coast next summer. We’re looking forward to exploring some new places.”

She says: “We’re always on the move, but we enjoy it. We love the excitement and the people we meet.”

She signs: “Wishing you a happy day!”

She leaves: “We’ll see you soon!”
Tech Softball Squad Takes Double Victory, 14-2, 1-0

Team Wins Thirteenth Straight Game, Krawczak and Kleein Lead Tech Hitters

Tech's 14-2 softball victory over Howard Thursday night was the team's third in two more games, giving the Thawnees a total of 17 wins for the season, a record for the Tech softball team. The defense of the Techs was solidly guarded, with no errors on the infield. The 1-0 win over Howard was also well-earned, with no errors on the pitcher's mound.

IM Touch Tourney Starts Next Week

With the Freshman up against the Techs in the IM Touch Tourney next week, the Techs will have to face an even stronger competition in the tourney. The Techs have performed well in previous IM Touch Tourneys, and are looking forward to the challenge.

Eagles Defeat Sr. Mechs, 11-5

Hits Plus Mech Errors Decide Title Playoff

The Eagles defeated the Sr. Mechs in a close-fought game, with a score of 11-5. The Eagles' victory was due in large part to their ability to capitalize on the mechs' errors, which led to several runs. The Eagles' strategy paid off, as they were able to score a total of 11 runs against the Sr. Mechs' 5.

Deltas vs. Alpha Sigs

The Deltas and Alpha Sigs faced off in a close game, with the Deltas emerging victorious with a score of 3-2. The Deltas' strategy of hitting the ball with power and speed proved effective, as they were able to score their 3 runs on 3 hits, compared to the Alpha Sigs' 2 runs on 2 hits.

Sammies Whip Pi Kaps, 6 to 3

In the main Interfraternity games of the week, the Pi Kaps were defeated by the Sammies with a score of 6-3. The Sammies' aggressive pitching and hitting strategy proved successful, as they were able to score 6 runs against the Pi Kaps' 3.

Techhaw Baseball Team Breaks Even in Season's Final Games

Schimmel Stays as Tech Defeats Jr. Cubs, 1-2

The Teckhawa baseball team broke even for the season with a 2-2 tie against the Jr. Cubs. The team was able to score 2 runs in the first inning, but was held to only 1 run in the second.

The two teams played a close game, with the Jr. Cubs' aggressive hitting and pitching strategy proving effective. The Teckhawa team was able to hold their own, with solid defense and good hitting. The tie scored 1 run in the first inning, and was held to only 1 run in the second.

The game was decided in the third inning, when the Teckhawa team was able to score 2 runs. The team hit a double and a single, scoring the runs and breaking the tie.

The Jr. Cubs fought back, scoring 2 runs in the fourth inning to tie the game again. The Teckhawa team was able to hold their own, with solid defense and good hitting. The game was decided in the fifth inning, when the Jr. Cubs' aggressive hitting and pitching strategy proved successful. The Teckhawa team was able to hold their own, with solid defense and good hitting. The tie scored 1 run in the first inning, and was held to only 1 run in the second.

The Teckhawa team fought back, scoring 2 runs in the seventh inning to tie the game again. The Jr. Cubs were held to only 1 run in the seventh inning, and the game ended in a tie.
Dr. L. E. Grinter Urges College Training For 100,000 Engineers

Waving that there will be a five to ten year famine in technical education and that the state and the world are faced with a great demand for trained engineers, the dean of the College of Engineering, was quoted before an audience of engineers and scientists.

"With the war and industry the scale of engineering has become unviable," said Dr. Grinter, "and as a result the number of engineering graduates is increasing enormously. Consider the present demands of our factories and the needs of our war industries. The government has had to draft a number of engineers from the universities. I have had occasion to meet with many engineers who have been conscripted for service."

WAVE Disbursing Office To Be Attached To IIT

The recent news that the disbursing office of the WAVE unit has been established at the WAVE unit at the University of Illinois, will give a great deal of satisfaction to the students. "It is a great step forward," says Dr. Granger, "and it is a step in the right direction."

"It is a great step forward," says Dr. Granger, "and it is a step in the right direction."
