The Armory Branch of the A. I. B. was held in the Armory on May 29, at 8:00 p.m. President E. A. Knapp presided. His opening address was brief and to the point. The meeting was adjourned at 8:01 p.m.

President's Address

The dinner, as usual, was held at the Hotel Armour. The dinner was attended by the officers of the branch and a number of the members. The meal was excellent and the company delightful. The program for the evening was of the usual type, consisting of a number of speeches and a film presentation.

The film, which was shown, was a very interesting one, dealing with the history of the Armory and its operations. It was well produced and very informative. The speeches were also very interesting, covering a wide range of topics. The main theme of the evening was the importance of the Armory to the city and the country.

The meeting adjourned at 9:30 p.m., after a very enjoyable and informative evening.
SIMPSON MAKES UNUSUAL RECORD

The News feels that an official award should be a proper testimonial to the efforts made. Some awards are engraved silver, others are engraved bronze, others are of gold, but no one has yet come across an award of silver, a bronze, and a gold medal. This is because of the unusual record of Arthur R. Jones, who has been awarded all three medals for his efforts in the field of the arts. He has been awarded the Silver Medal of Arts, the Bronze Medal of Science, and the Gold Medal of Commerce. The Silver Medal of Arts was awarded to him for his work in the arts, the Bronze Medal of Science for his work in science, and the Gold Medal of Commerce for his work in commerce. The News feels that this is a proper testimonial to the efforts made by Arthur R. Jones in the field of the arts, science, and commerce.

ARMOUR DEFEATS COE AS CHIEF STEHNO PITCHES AIR-TIGHT BASEBALL; MAGO HITS HOME RUN

Team Loses to University of Iowa on Friday
By 21-1 Score

FINISH SEASON WITH NINE WINS

A complete reversal from Friday's form saw the Tech nine defeat the unbeatable 12th-ranked Iowa at Old Capitol Field on Saturday afternoon. Chief Stehno took the entire contest, allowing only two hits and two runs, and Mayo hit a two-run home run. Tech defense was marred only by two errors, one by second baseman May and one by center fielder Wilson. In every other respect, the defense was solid.

Mayo's sacrifice hit in the second inning was the only run scored in that frame, and Mayo had a hit to drive in the run. Wilson hit a two-run homer in the fifth for the only other run scored in the game. The defense was unbroken at all times, and the out was scored behind the plate without a hitch.

Mayo, however, hit a two-run home run in the fifth inning, which put the game out of reach for Coe. Mayo, who had been struggling all season, showed his true form in this game, hitting the ball a long distance to give the Techs the victory. His hit was a notable one, as it marked his first home run of the season.

The game was played in front of a packed house, with fans cheering loudly throughout the contest. The Techs were victorious, and the Iowa fans were disappointed. The game ended with the Techs leading by a score of 21-1.

The win put the Techs in a good position to finish the season with nine wins, which would be a good accomplishment for a team that has struggled all year.

ARMOUR TENNIS TEAM WINS LAST MEET OF SEASON

North Park College Is Victim in Two Contests

SHOW IMPRESSED FORM

Although Armour's tennis team met a large amount of surprise during the season, they put up a fighting stance to their opponents by winning three of the four meets.

The team competed, especially, against the good points of their opponents. After the season was over, all the members agreed that the team was composed of men who were always capable of defeating their better competitors. North Park College, of North Park, Illinois, was the team that defeated Armour in the final dual. Victories were registered on May 36, and May 38, and the scores of 4-1 and 4-3 respectively.
