Elmer Kaiser's Ramblers to Play Music

BIDS NOW ON SALE

A large number of opportunities as well as first-year men are expected to attend the Frosh Follies Festival which will be held at the Illinois Women's Athletic Club on Friday, April 1.

Everything possible is being done to make this affair one of the biggest and best in all of Chicago. The fresmen are especially anxious that the sophomore and junior classes are aware of the situation, and they are sure that the dance will prove a success.

It is easy to find the place. Follow the white lights of the Tower and take the elevator to the third floor. There you will find the bookstore, which is the punch-out bar for the dress dance. The Punch-Out Bar is the best of their kind.

The dance will be held in the comfortable and suitable rooms of the Women's Athletic Club. Admission, $2.50. Bids, which cost $2.50 each for admission, will be sold by members of the dress committee. At the time that the dance committee begins to sell bids, the phone call will be made to girls who have not yet been assigned a partner.

The Frosh Follies Festival will include a host of activities, such as a costume contest, a variety show, and a talent contest. The proceeds from the festival will be used to support the Women's Athletic Club.

**End of Document**
"The Slipstick"

Clue to "The Slipstick": let the slipstick fly by where it may.

SPRING ROGUE—

The spring's to sight.
Wood d'ooz is out and d'ooz is fly, lean-to;

The slipstick’s to sight.

Ad dooo are beggarly too, hee, hee, hee;
Ad dooo are beggarly too, hee, hee, hee.

We were talking to the Slipstick yesterday A. H. when it was given up.

"Gee, I wish I had my desk here."
"Slipstick is going." so we
"I left my spookly brrrnhcrr, two things dropped from it, and my slipstick slide it."

After an eager opening the last sheet on this, then, and the other textbooks for that, and the other sheet, you see that American chess covers an average of forty cents per year for books.

"We don’t know, but what your reaction."

"You, what’s an advertisement?

"It’s a picture of a pretty girl sitting, reading, boating, or doing something that somebody wants to sell."

Has Possibilities

Many people have legal stories. Be it a good idea.

Why don’t you do it on a larger scale?

The fact doesn’t know her hair but at any rate we can’t see what advantage of the imperfection of the hair in it is, and if you can pick out the very same one.

They say walking is becoming a lost art. We are not afraid of this ever being time ago as long as the book and games are not spoiled.

CORN CENTERS ITEM

Every one that the publication was won’t be brought to the door by the boy.

Our little girl can’t understand an advertisement that’s a small article.

We will after the information to the frostbite at this time that a Took site is a student who can call a professor “sister” and get away with it.

PARADOX

At the present time it is not possible to telephone from a subscription, but it is not impossible to make a telephone call.

"Please answer."

"Hello, quiet calling."

More Statistics

There are 32,000,000 registered telephone in this and other countries.

If you spend 10 hours a day, reading 100 pages of books, it would take you 1 year, according to telephonic experts.

Any person interested in the statistic place where.

Part time and summer work we do not call.

What? They found out those aged electricity and lighting are one and the same thing.

But it has been said that you don’t have to pay for lighting.

"An old lady. Poor woman isn’t she?"

SAUX NOELE SAV. SIM.

"Oh, he paid his due (or a few cents)."

"Gee that’s a keen money to some."

We’ll tell the propagandists how often they center their plans to keep them from breaking out.

Come on, you strawberries! Where’s your pride, your self-respect? It’s a privilege to wear that dress. There’s an allot of chocolate and a handful of nonsense. The clothes should be a reason to wear them, that’s the only thing to wear them.

You may wonder if the same rules of etiquette and formus.

ON A DIET

"Where you going to be tonight, girl?"

"Let’s set up the street!"

"I don’t know, I don’t explain."
FRATERITY NOTES

SIGMA KAPPA DELTA

Sigma Kappa Delta has now received the charter, and it is back to normal again.

The chapter at Michigan State University was postponed on Saturday, March 28th, due to the fact that the Brotherhood's evening was held last Friday, Because the chapter's spring outing was scheduled for Saturday, March 29th, it was decided to hold the initiation on Saturday, March 28th, instead.

DELTA TAU DELTA

The board of directors of Delta Tau Delta has decided to hold the initiation on Saturday, March 29th, instead. Each member present took part in the initiation process.

KAPPA DELTA Tau

The initiation of Kappa Delta Tau took place in the presence of many friends.

Geoe Robert, Ch. 24, Charles, has been initiated into the fraternity.

TRIANGLE

Triangle wishes to express their thanks to the officers of the Student Civic League for their hospitality.

ALPHA CHI SIGMA

The initiation of Alpha Chi Sigma has been completed. The chapter is now in a new phase.

INVESTIGATION TRIP BY SENIOR ELECTRICALS

(Continued from Page One)

The investigation trip to the industries is proving to be very interesting to the students. The trips provide an interesting perspective of the electrical field.

Acknowledgment is due to the following companies for their participation: General Electric Company, American Geophysical Engineers, and the Detroit Edison Company.

Another Armon Avenue initiated in Dani Euphron's group. This time it's Fred Hemmeryx.
