SOPH BASKETEERS VANQUISH SENIOR TEAM 31 TO 13
Interclass Basketball Championship Determined
CHRISTOPHER STARS

By the overwhelming score of 13 to 10, the sophomores again won the interclass basketball championship, defeating the seniors for the second time in two years. The final game was played on the saved court Tuesday, Christopher and Roosevelt met early on the night, but the seniors were absent, and the contest was only interrupted for a few minutes. The game started when the second home team arrived, and the question was whether the warm-up time would be enough to prepare the seniors for the contest. The sophomores, however, were already ready, and the game began with a high-scoring first quarter. The seniors, however, were unable to keep up, and the sophomores went on to win the game with a large margin.

UPPERCLASSMAN FAVOR CHAPEUX FOR FROSH CLASS

Life shows many other things, but the design in the upperclassmen's robes is the same thing. The idea is that the robes should be worn during the formal occasions and events. The custom is observed by the upperclassmen and the tradition of the school has been maintained.

Interest in the annual raffle has increased in recent years, and the members of the upperclassmen are enthusiastic about it. The raffle is held at the end of the school year to raise funds for the school. The upperclassmen have been involved in organizing and running the raffle, and they are working hard to ensure its success. The upperclassmen feel strongly about the importance of the raffle and the need to raise funds for the school.

THE TECH RIFLE TEAM ANNOUNCES ARCHERY TROPHY

As the result of a win over Moundville Park, at First Street, the Tech Rifle Team will be presented with the trophy, which is the trophy that is awarded to the team that wins the tournament. The trophy will be awarded at the end of the season, and the formal presentation will take place in the near future. If the Tech Rifle Team wins the trophy, it will be a permanent acquisition for the school, and it will be displayed prominently in the school's trophy case. The trophy will be a permanent reminder of the Tech Rifle Team's success.

Dramatic Club To Be Organized

There is a movement under way in the city to organize a dramatic club, which is the first step toward the establishment of a dramatic school. The movement is being led by the teachers, and they are working to gain support from the students and parents. The dramatic club will be a place where students can learn about acting and stagecraft, and it will provide a platform for students to showcase their talents. The dramatic club is expected to be a significant addition to the school, and it will help to nurture the artistic talents of the students.

Victors Experienced in State House Offices

FACTIONS DIVIDE CLASS

John J. Ahern proved to be the outstanding presence of the freshman class at the election held last Wednesday in Smith Hall. Ahern, who is a popular student, received 119 votes, which defeated Robert V. Smith and Stuart Alexander, who received 28 and 19 votes respectively.

Basketball is a game of skill and strategy, and the political factions that exist in the school are often complex. The victory of Ahern is a testament to his skill and popularity among his peers. The political factions that exist in the school are often complex, and the victor of the election is often unexpected.

The annual "Stampede" on Next Saturday

With popular dances being held by the respective organizations, the students of the freshmen and sophomores are eagerly anticipating the annual "Stampede." The "Stampede," which is a traditional event, has been held for many years and is eagerly anticipated by the students.

Business Affairs for Engineer Announced

A. L. Widener, Ch. E., '32, will head the business affairs of the Engineer for the coming year. He will be assisted by the General Editor, who will be responsible for the financial aspects of the Engineer.

Carryover of Junior Member Trends

The junior member trends for the current year have been announced, and they show a carryover of junior members. This carryover is an important factor in the financial stability of the Engineer, and it is expected to continue in the future.

Automobile Accident Endangers Freshman

A freshman was involved in an automobile accident last week, and she is in serious condition. The accident occurred when the freshman was driving a car that had just been purchased. The accident is a reminder of the importance of driving safely and of the dangers of accidents.

K. N. REPRESENTATIVE GIVES CONVENTION STATEMENT

Mr. David P. Moreton, professor of Botany and Forestry, presented a statement to the K. N. Representative at the convention. He spoke of the importance of forestry and of the need for more research and for the development of new techniques in forestry. The statement was well received by the delegates, and it was felt that it was a significant contribution to the convention.

We GOT THE GUY

Last week, a rival paper ran into trouble. Our FRESHMAN told us that the experienced man who came to Tech there would not be a big accomplish. But this week we are proving any PUT IT ON THIS front.

And if a FRESHMAN is not forthcoming, we will report and DONATE it in the cause of this FRESHMAN too. The front man that has no man in the entire load

BIG ENOUGH to make him your own.

Women's faults are many. Men have only two

Every single thing they say, and every single thing they do.

We are on the subject of etiquette and the front man. So, let us test him as we have tested others. We, perhaps, serve as judges. We may come to know that women are not just faults.

"We changed our mind."

"Hello, does it work any better?"

"None so good as LUCKIES"

"I'm tried all cigarettes and there's none so good as LUCKIES. And incidently I'm careful in my choice of cigarettes. I have to be because of my throat. Put me down as one who demands much for a LUCKY. It's a real delight to find a Collephant wrapper that opens without any ice pole.

Jean Hurley

Jean Hurley first set the scene about "Hell's Angels," the great air killer, and she almost rid the show from a host of fifty planes. See her "Doddle," a Fine film and "Columbus'" "Plumed Banner."

Brother "Max" King has left Chi.

Phi Kappa Sigma in the state of Nebraska.

**TRIANGLE**

Last Saturday saw the holding of the School's Annual Formal Ball at the Student Union of the College. Several of the faculty were on scene to attend the affair and reported having a fine time which also included a fantastic speech.

Friday night a smoker and get-together was held in the home. Nearly the whole chapter attended and an enjoyable evening was spent playing cards, pool, and telling stories.

**SIGMA ALPHA MU**

Sigma Alpha Mu's Hesperian Annual Ball takes place in announcing the initiation of the following: Bernair Aleman, C.E. 37, Living Adm., A.D. 37, Stanley Benedict, C.E. 37, and Morris Mitchell, A.D. 37, Landon Shapton, A.D. 37.

The annual trawl between the bears and engineers at the University of Illinois is called the football game in present ligation.

**Social Organization**

Another of the social organizations begins its full swing when Brown and Strauss holds its first meeting and practices for the project to be announced at a school in the Assembly Hall. Although many of the participants' names are not yet available, there are indications that a large group will be attending the event. First-year men and new students who play tennis are reported to be arriving and try to be prepared for the orchestra. For further participation, one may contact Andrew Watson, Amos Cleaver, from Campbell and commissioner.

BASKETERS TO BEGIN PRACTICE NEXT TUESDAY

Six Regulars Return to Squad for Second Season

ROSSING TO LEAD TEAM

The seniors, including juniors, and the sophomores, left the freshmen in the first four of a Chicago invitational basketball tournament held recently.

The squad entered the play with a somewhat disorganized line-up. The seniors needed a basket and a couple of the younger men were called on to make the play. The second quarter, the juniors entered the defensive end and in a reverse movement, the seniors entered on the offensive end. However, in the third third, the seniors entered the offensive end, which permitted the seniors to finish the round with five points, and when the final whistle blew the score stood 17-15 in favor of the seniors.

Senior Win 20-8

Early in the second quarter of the senior team's basketball Invitational, the seniors entered the game with the seniors defending, and from that time until the second quarter of the game was over the only real action was on the senior's part.

The senior half was a complete affair, with Anderson and Christie putting in the only points from the field. The seniors came away from the pool after the third quarter with a lead of 6 points over the juniors. The seniors were successful in the third period to make the final score 20 to 8 in favor of the seniors.

Track Squad to Meet Wednesday

The indoor track season will begin under Wednesday, when a meeting is scheduled for the indoor trackacak for the school. Coach Stagg and Paul Schmor will speak at this meeting, and equipment will be given out.

K juniors have enthusiasm for the competitive track season. The junior team will be under the guidance of Mr. Anderson, and the seniors will be coached by Mr. Schmor. The team will be divided into two sections, the seniors and juniors. The seniors will be coached by Mr. Anderson, and the juniors will be coached by Mr. Schmor.

The juniors will be divided into two sections, the seniors and juniors. The seniors will be coached by Mr. Anderson, and the juniors will be coached by Mr. Schmor.

Boxing Squad Ready for Opposing Teams

The boxing season is beginning in the Illinois Athletic Union. Coach Watters is trying out the seven men in training for the team, and in January there will be four matches. In February there will be two matches, and in March there will be one match.

In April, the team will be divided into two sections, the seniors and juniors. The seniors will be coached by Mr. Anderson, and the juniors will be coached by Mr. Schmor.

ABOVE SHOWS ROLLER SKATING STUNT TEAM AT THE AMERICAN INVITATIONAL IN CHICAGO. HARRY HARVEY, the 16-year-old Central High student, will represent the Macoupin County, Illinois, team in the May 24-25 invitational at Chicago's North Park.
