Students' Bill of Rights Passed

The Illinois Student Government Board of Control, in order to further the welfare of the Illinois Institute of Technology students, passed a new bill of rights for the students. The bill was passed during the last meeting of the Student Government Board.

The new bill of rights includes the following provisions:

1. The right to an open and honest administration.
2. The right to a fair and impartial judicial system.
3. The right to a free press and the right to speak freely.
4. The right to a safe and secure campus environment.
5. The right to a fair and just disciplinary system.
6. The right to a fair and just financial aid system.
7. The right to a fair and just academic evaluation system.
8. The right to a fair and just employment system.
9. The right to a fair and just student council system.
10. The right to a fair and just health system.

The Student Government Board of Control has been working on this bill for several months and is pleased to see it passed into law. They believe that this bill will help to ensure the rights of the students and will help to create a more fair and just campus environment.

Campus Police Threat Pose To Local Car Theft Ring

The Illinois Institute of Technology campus police department has been investigating a local car theft ring. The ring has been active for several months and has targeted several students.

The campus police department has been working closely with the local police department to investigate the ring. They believe that the ring is being run by a group of local teenage boys.

Why Did Blake Go over the Technology News? See Page 7

The Blake was an important figure in the technology industry. He was known for his innovative ideas and his ability to think outside the box. He was also known for his love of technology and his passion for exploring new ideas.

Blake was often seen with his laptop computer, which he used to stay connected to the latest news and developments in the technology field. He was always looking for new ways to improve his computer and was never satisfied with the status quo.

Blake was also known for his love of gadgets and gizmos. He would often spend hours looking at the latest gadgets in the tech store and would always be the first to try out a new gadget.

Blake was a true technology pioneer and his legacy will live on for many years to come. His ideas and innovations have helped shape the technology industry as we know it today. He will be greatly missed by all who knew him.

Campus Rules, News Intolerable

This year, however, is not restricted, except by law, to see the conduct. There is no preparation reason why the action should not proceed under the broad and mature guidance of institute regulations.

In order to more fully attain loyalty with the outside world, the ITSA Handbook Committee has drafted a Student Bill of Rights. It is to be the Bill of Rights of all IT students, both male and female. We are asking this document to be distributed to all and those that think this third option equal to the first behind support of this proposed

If you think you're getting a great shave with a razor blade, feel your face.

Feel your chin
A razor blade can give you a close shave, but it will never give you a smooth one. Because it is too rough to the touch.

Feel your upper lip
The razor blade can give you a close shave, but it will never give you a smooth one. Because it is too rough to the touch.

Feel your sideburns
A razor blade can give you a close shave, but it will never give you a smooth one. Because it is too rough to the touch.

Feel your cheeks
A razor blade can give you a close shave, but it will never give you a smooth one. Because it is too rough to the touch.

Red your sideburns
Try shaving with a cream lather. The results are much more pleasant.
