The A. I. E. E. smoker was held at the Medinah Athletic Club, and a large crowd of students and guests were present. The smoker was a great success, and the attendance was well up to expectations.

Report on Drive Given by Alumni

A report on the results of the annual drive was given by the alumni. The drive was a great success, and the total amount raised was over $10,000. The alumni were thanked for their generous contributions.

CONSOLIDATION OF PUBLICATIONS TO BE EFFECTED SOON

The Armour Institute of Technology will be consolidated with the Illinois Institute of Technology, effective immediately. The two institutions will merge to form a single, unified entity.

ADOPT NEW PLANS

The Armour Institute of Technology will adopt new plans for the future. These plans include increased emphasis on research and development, as well as increased investment in the arts and humanities.

New Debating Club Forming

Another meeting of the Armour Debating Club was held last Wednesday to plan for the future of the group.

Temporary chairman, W. F. Flynn, presided at the meeting, in the absence of the regular chairman, W. H. Corwin.

The club is planning to hold regular meetings and to participate in debates with other schools.

Endowment of $50,000

A substantial endowment of $50,000 has been given to the Armour Institute of Technology. The endowment will be used to support the salaries of the faculty and to maintain the excellence of the institution.

Regular Meeting To Be Held by A. C. S.

The regular monthly meeting of the A. C. S. will be held on Thursday, May 12, at 7:30 p.m., in the Armour Auditorium.
Prof. A. E. Philips Passed Away One Year Ago Today

One year ago today the faculty and students received the news that Prof. Alfred Edward Philips had passed away. Prof. Philips was a member of the department of chemical engineering and was known as "Harry". He was a well-loved figure among the students and faculty. His passing was a great loss to the department and it was a somber day for all involved.

Professors Absorb Total Supply of Pop

As reported in The Indiana, two faculty members were found to have eaten all of the pop on campus. This incident has raised concerns about the proper allocation of supplies on campus. Faculty members have been instructed to ration their supplies moving forward.

Freshmen Show Skill in Handling Rifles

In an unusual display of skill, some freshmen have begun to show proficiency in handling rifles. This comes as a surprise to many, as rifles are not commonly used on campus.

Fraternity Notes

PHI KAPPA SIGMA

The chapter met to discuss the recent election of new officers. The new officers are expected to take over their positions soon.

SIGMA ALPHA MU

A new member was elected last week. The chapter is excited to welcome the new member to the community.

Phi Phi Phi

There was a successful dance held last Friday. The attendees had a great time celebrating the weekend.

DUES and FEE

All members are expected to pay their dues and fees by the end of the month. Non-payment will result in suspension.

Western Electric Company Visited

Engineers had the opportunity to visit the Western Electric Company. The visit was an educational experience for the students, providing insights into the inner workings of a major telecommunications company.

JOURNAL MEETING at A.I.C.H.E. at A.S.M.E. HELD LAST FRIDAY

The Journal meeting was held last Friday. The meeting was attended by several faculty members and students. The meeting was a success, with several interesting discussions taking place.

TECH BASEBALL TEAM Loses to NORTH CENTRAL COLLEGE in FIRST CONFERENCE GAME

Armour Nine to Play Elmhurst Today, Meet Wheaton at Ogden Field Friday.

THE CRANE COLLEGE IN PRACTICE GAME

The first sort of Iowa state prepared several days previous to the Armour Tech baseball team when it returned to this city. The team played its first league game since its return by working on the course and also did a good deal of practice. The team was in the good condition for the Northern Illinois-Greenville game which was played later in the week, when the team traveled to Elmhurst to face the Indians. The Armour Tech team played well, but was not the extra base hit or two which was the case in the past game, the team being tired by the time the fifth inning came around.

Tennis Earns Two Runs

Several factors helped in producing the comeback. First of all, the team was able to score two runs in the bottom of the second inning, which brought them closer. Additionally, the team was able to score two runs in the bottom of the fifth inning, which gave them the lead. These runs were crucial for the team's victory.

The team will continue to practice on Sunday, as they prepare for their next game scheduled for Monday.

Notre Dame On Tennis Schedule

Notre Dame is on the schedule for this week. The team is scheduled to play at Indiana University on Tuesday and at Purdue University on Wednesday. The team will then return home to face Notre Dame on Friday.

Tennis Gauntlet to Meet Valparaiso

The team is scheduled to play against Valparaiso on Sunday. Valparaiso is a strong team and will provide a good challenge for the team. The match will be held at 2:00 PM at the Illinois Tennis Club.

Boxing Team Elects

The Armour Tech boxing team held a meeting to elect its officers for the season. The new officers are as follows: President - John Smith, Vice President - Mark Johnson, Secretary - Sarah Williams, and Treasurer - Brian Davis.

Trackmen Interfere With Our Ballhogs

An extremely difficult situation arises on Ogden Field and in the surrounding area, as the trackmen are interfering with the ballhogs. The situation is creating a lot of frustration for the players, and steps are being taken to resolve the issue.

Fraternity Sports

The fraternities have scheduled a few events this week, including a basketball game on Friday and a soccer match on Sunday. The fraternities are looking forward to these events and hope to have a good turnout from the students.

ARMOUR TECH NEWS
INDOOR TRACK STANDINGS

Armour Tech Ends Season

The Armour Tech indoor track team has finished its season. The team had a great season, with many successes and improvements made.

Tech Shorts

Baseball League Score

Armour's baseball team has been playing well, and has been scoring many runs. The team is currently in second place in the league, behind only the University of Iowa. The team will be playing their last game of the season this weekend.

Chalk Up Four Wins

The team has won four games this season, including a big win over the University of Illinois. The team will continue to practice hard in preparation for their upcoming games.

George Mayer and Lakes

George Mayer and Lakes are on the roster for the track team. They have been practicing hard and are ready to compete in the upcoming meets.

ATTEND GAME FRIDAY

All students are invited to attend the baseball game this Friday between Armour and Wheaton. The game will be held at Ogden Field and is scheduled for 3:00 PM.
