COMMITTEE LISTS NEW PROMOTIONS IN FACULTY RANKS

New F. P. E. Instructor to Be Added in Fall

C. H. JOHNSON TO LEAVE

The Committee on Administration at the Institute has announced the appointment of Dr. C. H. Johnson to the faculty of the Department of Civil Engineering. Dr. Johnson, who has been associated with the Institute since 1912, is the author of several books on civil engineering and has contributed extensively to the literature of the subject. He is a member of the American Society of Civil Engineers and has served as a consultant to various government agencies.

Swedish Society Elects Peterson

Mr. Nils P. Peterson, Armour alumnus, was elected president of the Swedish Society of Chicago at their annual election on April 15. The Swedish Society of Chicago sponsors and maintains the Swedish People's House.

W.E.E. Members Hear Talk by R. F. Stellar

“Some Aspects of the Illinois Water Pollution” was the subject of a talk presented by R. F. Stellar at the Armour Institute on Wednesday, April 29, 1942.

Civil Engineering Students Begin Inspection Trips to Sanitary Plants

Army’s civil engineering students began a series of inspection trips this week, the first of which was a visit to the sewage treatment plant at the entrance of the Morgan Park plant of the Metropolitan Sanitary District of Greater Chicago. Each student will visit a different plant as part of their coursework.

Tech Rifle Team Forgets Match; Costs Too Much

Recently, the Armour Tech Rifle Team competed against the Appleton Rifle Club of Appleton, Wisconsin, not to brag, but the Tech team members are a bit apprehensive about the outcome. The tech team is off this week due to a conflict with the competition through the A.Y.A.A. or the National Rifle Association. All matches must be completed by Sunday, or the Rifle Club will lose points. The Tech team has been practicing nearly every day on the range, and the match will take place next weekend. The Tech team needs to be more focused and practice harder to win.

May 9 Deadline For Prom Bids

May 9 is the deadline for submitting bids for Prom tickets. This has been a much anticipated event by all students, especially those who are attending the prom.

Tenth Annual Swedish Dinner

“The Slipstick” 

Clue to “The Slipstick,” let the Slipstick fly where it may.

“A street car conductor’s a new I advisor, but I don’t have any ideas. All I can say is that he should have been a street car conductor.”

“The Slipstick” is a play by Arthur Miller and is being performed at the Armory Theatre. It is a satirical look at the life of a street car conductor and his encounters with various characters. The play is known for its social commentary and its exploration of themes such as power, corruption, and the human condition.

**MAY MUSICAL IS PLANNED FOR THE EVENING OF MAY 11**

Tickets are available at the box office at the Armory Theatre. The musical is expected to be a hit with audiences, and tickets are selling quickly.

**ALUMNI PLEDGES FOR PROMOTIONAL FUND INCREASING**

The campaign for the promotional fund is gaining momentum, with increasing numbers of alumni making pledges. The funds will be used to support various activities and initiatives at the university.

**THEATRE**

“A Charlie-Choe” play, directed by Prof. J. M. Grady, is being performed at the Armory Theatre. It is a romantic comedy that explores themes of love, relationships, and the challenges of life.

**ARMOUR TECH NEWS**

Volume IX, No. 12

**THE LILAC OF THE DAY**

Lilacs in full bloom

**NEW LIBRARY PLANS**

The library plans to expand and modernize, with new facilities and resources. The community is excited about the prospects.

**A.S.M.E. Hear Talk On Wrought Iron**

The American Society of Mechanical Engineers is hosting a special talk on wrought iron. The speaker will discuss the history and applications of wrought iron.

**B.S.O.W.**

Big Sandy O. Williams is the new director of the B.S.O.W. organization.

**WHAT’S NEW?**

Nothing new at the moment. The weather is a bit gloomy, but the sun is expected to come out later.

**THE CAFE**

The cafe is open for business with a special menu.

**CASINO APRIL**

Casino April is scheduled for the end of the month.

**CLASSIC CLUB**

The Classic Club is hosting a charity gala to raise funds for local charities.

**TWO NEW PLAYS**

Two new plays are being performed at the Armory Theatre, “The Slipstick” and “A Charlie-Choe.”

**HUMANITARIAN AWARD**

The Philanthropy club is hosting a fundraiser to support local charities.

**ARMOUR LIBRARY PLANS**

The library plans to expand and modernize, with new facilities and resources. The community is excited about the prospects.

**NEW STUDENT ORGANIZATION**

A new student organization is being formed to promote community service and volunteerism.
In Which An Envious Record Is Shattered

Professor B. R. B. E., Head of Division C, Chemical Engineering, has established a new record of his students by organizing an exhibition in which they could display their products of the year. The professor has been successful in initiating this exhibition for several years, and it is believed that the record will be broken next year.

CARL H. JOHNSON

Senior Chemicals Make Two Trips

Last Friday, April 30, the senior students in the department of Chemical Engineering visited the Armour-Massachusetts Protein Company in the morning. Following their visit, the Le Page Company. At the Armour-Massachusetts Protein Company, the company of processors was shown, and the Armour-Massachusetts Protein Company was presented with a new model of the company's equipment.

The trip was made to the Armour-Massachusetts Protein Company, where a tour of the facilities was conducted. The Armour-Massachusetts Protein Company is located in the Illinois Industrial Park, and the students were given a tour of the company's facilities, including the laboratory and production areas.

Chi Epsilon Pledges Amsale W.S.E. Smoker

The annual meeting of the Western Chapter of Chi Epsilon, Alpha Xi, was held last Wednesday evening at the Phi Kappa Psi house. The meeting was well attended, and the pledges were presented with certificates of membership in the chapter.

THE STEAM SHOVEL

Onethem this week is nearly as important as many others. Everyone has a hair for enjoying.

At the Tau Beta Pi initiation ceremony held this week, Dr. R. A. Sauser, of the University of Illinois, introduced the members of the chapter. The ceremony was well attended, and the students were given a tour of the facilities, including the laboratory and production areas.

DELTA TAU DELTA

The start of the new year is nearly as important as many others. Everyone has a hair for enjoying.

J. N. Williams, C. E. M.

An informal meeting was held Thursday evening, April 29. The new members were formally installed into the fraternity on Thursday evening, April 29.
TRENCHMEN SPLIT IN DOUBLE DUAL MEET AT MIDWAY

The Armour Tech track team broke the record for the meet with their victory, 41-21, over North Central in an Independence Day dual meet. The Tech men broke the record last year with a score of 45-17 against North Central.

The meet was won by Armour Tech in both the sprints and hurdles, but the North Central 440-yard team won.

Inter Hayden, in the 100-yard dash, scored a new meet record with a time of 10.0 seconds. Hayden, who has broken meet records in both the 100 and 200-yard dashes this season, broke the 100-yard record of 10.1 seconds set last year by Tech's Frank Knecht.

The record in the 440-yard dash was broken by E. B. Furbush of the Tech men with a time of 53.5 seconds, breaking the old record of 54.2 seconds set last year by E. J. Knecht.

Tech's final score was 41-21, but 10 points were charged for a false start.

TECH SHORTS

Two-Way Tandem. bracket of individual time trials against 4x400 relay. The first time trial was won by Tech, and the second by North Central.

Amour Defeats Crane's Golfmen

On April 30, Tech's golfers moved one step closer to victory when they defeated Crane's at the Indianapolis Country Club, 69-66. The match, held on the Eisenhower course, again demonstrated the superiority of the arm's par-5s that ended with the last of the four holes tied by both sides. The final score was 7-7, with Crane's winning the 3rd hole on the last hole of the match, 3-2.

Amour Defeats Crane's Golfmen

On April 30, Tech's golfers moved one step closer to victory when they defeated Crane's at the Indianapolis Country Club, 69-66. The match, held on the Eisenhower course, again demonstrated the superiority of the arm's par-5s that ended with the last of the four holes tied by both sides. The final score was 7-7, with Crane's winning the 3rd hole on the last hole of the match, 3-2.

Amour Golfers To Meet Loyola

For the first time in two years, Tech will play Loyola on May 1. The match, held at the Indianapolis Country Club, will determine the championship of the city.
