ARMOUR TECH NEWS

Vol IX No 8
Armour Institute of Technology, Chicago, Illinois

DATE SET FOR APRIL 15

Every prospective student's fee of $100.00 for
all concerned will be held at the Armour Hotel,
East 56th Street, on the night of April 15th.
According to the regulations, the Armour
Institute must be operated this year with
an attendance of 2,000 students. Although
Armour's budget for the year is only $400,000,
the students have set an enrollment goal of
2,000 students. This goal was achieved through
a successful fund-raising campaign led by
the Frosh-Soph Bids Committee.

Athletic Awards

The Athletic Awards were presented to
the members of the football and basketball
teams at the Athletic Awards Banquet held
in the Armour Institute. The awards were
distributed by the Board of Athletics, which
awarded scholarships to the top performers.
Saturday night was also a special occasion
for the Frosh-Soph Bids Committee, which
held a special dinner for the students.

INTERFRATERNITY COUNCIL
ENJOYS DINNER MEETING

The Interfraternity Council held a special
meeting on Tuesday night to discuss issues
affecting the fraternities. The council members
agreed on a number of resolutions, including
the establishment of a new fraternity house
and the implementation of a new dress code.

Junior Prom At Drake Gold Room

The Junior Prom was held at the Drake Gold Room
on Sunday evening. The prom was a huge success,
and the students enjoyed a night of dancing and
socializing.

Alumni Receive Student Report of Chemistry Entusiasm

The Alumni Association received a report on
the progress of the chemistry department from
the student body. The report highlighted the
growth of the department and its contributions
to the field of chemistry.

TALLIES MADE ON CONTRIBUTIONS OF ARMOUR STUDENTS

The Student Council conducted a survey
on the contributions of Armour students.
The results showed that students were
more likely to contribute to the school
than to other institutions.

"The Slipstick"

"The Slipstick" is a term used in the gymnastics event of the same name. It involves a routine performed on a beam, where the gymnast performs a variety of acrobatic moves, including flips and twists, while maintaining balance on the narrow beam. The routine requires a high level of skill, strength, and agility, and is often a highlight of the gymnastics competition.

Architects Hear Talk On Lumber

Students of the architectural and industrial arts courses at Armour Institute of Technology attended a lecture on the manufacture of lumber with Mr. C. C. Feland, Manager, National Lumber Manufacturers Association, on Thursday, May 30th. Mr. Feland discussed the history of the lumber industry, the various types of wood used, and the process of manufacturing lumber. He also emphasized the importance of sustainable forestry practices.

Theatre

Chicago's famous Playhouse Theatre was recently in the news when it was announced that the Playhouse would be closing permanently due to financial difficulties. The theatre had been a landmark in Chicago's theater scene for over 50 years, hosting many famous actors and productions. The closure has sparked outrage among theater lovers and calls for the preservation of the performing arts in Chicago.

Assembly Urges Student Support

The Armour Tech student council met recently to discuss ways to increase student participation in extracurricular activities. The council has been asking students to sign up for various clubs and events to improve the turnout and engagement. They are also considering implementing a student council scholarship program to encourage students to become more involved.

The Steam Shovel

If you're interested in learning more about steam shovels, you can check out the Steam Shovel Society, which is a non-profit organization dedicated to preserving and promoting the history and operation of steam shovels. They have a museum in the northeastern United States, featuring various types of steam shovels from different eras.

Philatelic Society Grows Rapidly

The Philatelic Society at Armour Institute of Technology has been seeing a significant increase in membership. Members are passionate about collecting and studying stamps, and the society organizes regular meetings and events to share knowledge and connect with other philatelists. They are also collecting funds to establish a stamp museum on campus.

A Chiefton's note-

A Chiefton's note mentions the importance of maintaining historical traditions and preserving cultural heritage. It highlights the significance of keeping alive the customs and stories of a particular group or community, as well as the value of learning from the past to guide the present and future.

Honor Memory Of Dean Palmer

April 8 will mark the passing of another year since Dean Charles W. Palmer received his degree from the University of Wisconsin in 1893. His name will always be remembered with pride in the pages of Armour Tech, for he was one of the early graduates and a true pioneer in the field of engineering.

Dean Palmer was born in Boston, Massachusetts, on January 22, 1870. After graduation from the University of Wisconsin, he entered the field of engineering and quickly established himself as a distinguished engineer. His name is synonymous with the growth and development of the engineering profession.

Dean Palmer was a true scholar and a true gentleman. He was known for his integrity and his dedication to his work. He was a role model for all of us who were lucky enough to be associated with him.

Fraternity Notes

SIGMA ALPHA MU

An installation of new officers was held Sunday, April 8, at the house of Raymond M. F. Still. The following men were installed:

Orry T. B. Lewis, Prez.
Nelson D. N. Butninger-Kingston
Hoffman M. Hennen
Herbert E. E. Finley
Robert W. B. Mitchell

The members met at noon and the installation of new officers was held.

PHI KAPPA SIGMA

The spring elections held at the Sigma House, Friday, April 4, are now complete with Bertram B. C. and his "Champion" showing that there are no more officers.

The new officers will meet at the house on Saturday, April 14, and the installation will be held at the house at that time.

DELTA TAU DELTA

We take pleasure in announcing the election of Edward E. S. M. to the office of President for Delta Tau Delta. He will serve for the next two years.

NEW ARMOUR TECH BAND MAKES DEBUT SATURDAY

There will be a new band on the stage at the dance Saturday, April 25, at the National Hotel. The band will consist of students from the School of Music and will provide entertainment for the students.

MRS. KRAFTT IN HOSPITAL

Mrs. W. G. Kraft of Armour is seriously ill after an operation last Thursday. She was in the hospital Sunday, April 12, and will be at the hospital about two weeks. She is in excellent condition and will recover.

TRIANGLE

The twenty-fifth Annual Banquet of the Delta Kappa Epsilon fraternity will be held Saturday, April 14, at the National Hotel. The banquet will be held at the Delta Kappa Epsilon fraternity house.

RHO DELTA PHI

The Rho Delta Phi fraternity will hold a dance at the National Hotel on Saturday, April 21, to raise money for a new building.

Tech Men Take Third Place in Two Relays and Third and Fourth in Shot Put

RECORD CROWD SEES BIG INDOOR MEET

A record total of 126 points was scored in the University of Indiana indoor track and field meet held last Saturday, February 24. A total of 109 points was scored by the University of Illinois, while a total of 82 points by Indiana University was the third place total. The meet was held in the Indiana Memorial Fieldhouse, and was sponsored by the University of Indiana track and field team.

New Meet Records Established

Several new meet records were established by the University of Indiana track and field team at the meet. The new records include the 60-yard dash, the 110-yard dash, the high jump, and the long jump. The 60-yard dash record was set by George H. Smith, who ran it in 6.5 seconds. The 110-yard dash record was set by Richard E. White, who ran it in 11.3 seconds. The high jump record was set by Robert J. Brown, who cleared 6 feet 8 inches. The long jump record was set by Donald J. Smith, who jumped 20 feet 4 inches.

ARMOURE BOXERS END SEASON WITH FOUR VICTORIES

The Armour Tech boxers ended their season with four victories. The boxers won the following matches: against the University of Illinois, 3-1; against the University of Notre Dame, 2-0; against the University of Michigan, 1-0; and against the University of Wisconsin, 3-0. The boxers were coached by John A. Johnson.

ARMOUR BASEBALL TEAM IN OPENING GAME OF SEASON

Tack’s First Opponent Will Be Chicago Normal

BIG CROWD EXPECTED

The first game of the season for the Armour Tech baseball team is scheduled for this week. The team will play the Chicago Normal team at 3:00 p.m. on Wednesday, April 3. The game will be played on the Armour Tech field.

Trackers Take Fourth Victory

Last week, the Armour Tech track team competed in the Relay Carnival, and the team placed fourth overall. The team was led by Vincent J. Horgan, who set a new meet record in the 110-yard dash. The team also won the 4x100-yard relay.

Trackers to Meet Elmhurst Saturday

A trip to Elmhurst is planned for the Armour Tech track team this week. The team will travel to Elmhurst for a meet with the Elmhurst College track team.
