**Blood Drive Disappointing**

The demand at the annual blood drive by the Blood Donor Service was minimal during the fall semester, leaving some donors dissatisfied. According to a spokesperson for the Blood Donor Service, the drive was scheduled for October 27th, but due to the low turnout, the event was postponed until November 3rd.

**Apology**

The Blood Donor Service would like to apologize for any inconvenience caused by the rescheduling of the blood drive. We understand the importance of blood donations and regret any inconvenience this may have caused.

**Attendance Up For UB Activities**

Attendance at the UB activities has been on the rise recently. The spokesperson for the UB activities said, "We have seen a significant increase in attendance, which is great news for us."
Education Is the Issue

Thirty-One Years Later

Exhibitors and their wives gathered in the University of Chicago's Student Center, on the north side of campus, for the annual meeting of the University of Chicago Education Association (UCEA). This is the first of a two-part series, covering the history of this event.

The UCEA was formed in 1890 by the University of Chicago and is the oldest educational association in the United States. Its purpose is to promote the interests of education and to provide a forum for the exchange of ideas among educators.

CCC Statistics on Crime

Chicago Crime Commission (CCC) statistics show that since 1960, the number of violent crimes in Chicago has decreased significantly. The decrease has been attributed to increased police presence, improved community relations, and improved juvenile justice programs.

New Rights Bills Signed

Governor J. William S. Thompson signed into law a number of bills that expand the rights of individuals and improve the judicial system. These bills include provisions for the protection of rights of witnesses, the right to a speedy trial, and the right to counsel.

Moviemaking in Chicago

The city of Chicago has a rich history of moviemaking, with many classic films being produced in the city. The city is home to many film studios, and the local film industry is growing.

Shriver Appointed by NSPE

James C. Shriver, a member of the National Society of Professional Engineers (NSPE), has been appointed to the board of directors of the society. Shriver is a practicing engineer in the field of water resources and environmental engineering.

Security Re-Examined

Dear Editor,

I am writing with regard to the latest article on the security of our university. The article mentions the importance of having a uniformed police force that patrols our campus. However, I believe this approach is not sufficient. We should also consider increasing surveillance through cameras and utilizing data analytics to identify potential threats.

Yours truly,

[Signature]

Black and White

Dear Editor,

I am a member of the Black and White, and I would like to express my concern about the recent events on campus. We have noticed an increase in incidents of harassment and discrimination. It is important that we work together to create a safe and inclusive environment for all students.

Sincerely,

[Signature]

Gee, Dear, it's really amazing how you and the rest of the boys in Congress got that last bill passed so quickly.

More Errors

Dear Editor,

I noticed in the page 6 of last week's Tech News that there was an error in the description of the new software. It should have stated that the software is compatible with all major operating systems, not just Windows.

Sincerely,

[Signature]
Harrison Bombs

by James R. Holmes

LONDON: There were reports of a general strike of the theatrical workers in the United Kingdom today, following yesterday's explosion at the George Harrison Hotel, which is the center of the English talent union. According to sources familiar with the incident, the hotel was used as a meeting place by Harrison's allies in the strike. It is not clear yet whether anyone was hurt in the blast, but an eyewitness said that the noise was as deafening as a rocket. The explosion caused significant damage to the building, and police are investigating the cause. Harrison, who is a member of the hotel's board, has not made any public statement about the event.

Tom Swain

After the Flood

by Bob Knight

There’s just one kind of hero: The hero who saves them all. That’s Tom Swain, the sitar player from India, who was aboard the ship during the storm that hit the Pacific Ocean. On May 15, 1979, Swain and his band were playing on a small cruise ship when a massive (sp) hit the ocean, capsizing the boat and trapping them all below decks. Swain, a seasoned sailor, used his knowledge of the sea to keep the ship afloat until the coast guard rescued everyone on board. Swain was hailed as a hero for his quick thinking and bravery.

Connie’s Pizza Pub

VERSAILLES, KY. (AP) — Connie’s Pizza Pub is the latest addition to the local restaurant scene, offering a variety of pizzas and other Italian dishes. The restaurant has been open for two weeks and has received positive reviews from customers. Owner John Smith said he is pleased with the response and plans to expand the menu in the future.

Soccer Team Kicked By Judson

By Terry Woodworth

A month after soccer season started, the boys varsity soccer team was defeated in the first game by Central College in Wapello. Judson scored only once in the entire game, while Central College scored three goals.

The St. Francis Rangers defeated the boys varsity soccer team 3-1 in the first game of the season. The game was held at St. Francis High School, and the final score was 3-1. The boys varsity soccer team played well, but were unable to score against the strong Central College defense.

The St. Francis Rangers were able to take control of the game early on, and scored their first goal in the first half of the game. Central College responded with a goal of their own, but the Rangers were able to maintain their lead and score a second goal in the second half of the game. The final score was 3-1, and the boys varsity soccer team was defeated.

New Swimmer Boost Squad

Coach Dan Martin's varsity swim team, which opened a 1-0 dual meet victory last year, is expected to be much stronger this season due to the addition of several new freshmen and one transfer student to the roster. The team consists of 15 varsity swimmers, including four freshmen. The team also includes two co-captains, who are both strong performers in the pool. The team is training hard and is expected to perform well this season.

Sports Briefs

Wrestling Work-Outs

At the last work-out, the team consisted of several strong wrestlers, who were training for the upcoming season. The team includes several experienced wrestlers, who are expected to perform well in the coming season.

IM Tennis Sign-up

September 14, 1971, the deadline for sign-up for the Intramural Tennis League, which will start October 1, has been announced. The sign-up will take place according to the following schedule:

Varsity Tennis Meeting

There will be a meeting on Monday evening to discuss the plans for the upcoming season. The meeting will be held at the school at 7:00 PM. The meeting is open to all interested parties.
